

HOW DO I GET AND ADMINISTER NALOXONE®?

Naloxone Nasal Spray was developed to be used at home without the need for any medical training. If you suspect an opioid overdose, administer Naloxone Nasal Spray and get emergency medical assistance right away. Naloxone is an opioid overdose reversal medication and should be part of an opioid safety checklist. Contact your pharmacist for more information about Naloxone dispensers.

HOW TO USE:

- 1** PEEL BACK THE PACKAGE TO REMOVE THE DEVICE. HOLD THE DEVICE WITH YOUR THUMB ON THE BOTTOM OF THE PLUNGER AND TWO FINGERS ON THE NOZZLE.
- 2** PLACE AND HOLD THE TIP OF THE NOZZLE IN EITHER NOSTRIL UNTIL YOUR FINGERS TOUCH THE BOTTOM OF THE PATIENT'S NOSE.
- 3** PRESS THE PLUNGER FIRMLY TO RELEASE THE DOSE INTO THE PERSON'S NOSE.

Naloxone is available over the counter, and some insurance will cover it.
