TOGETHER ARKANSAS
Opioid Response Initiative

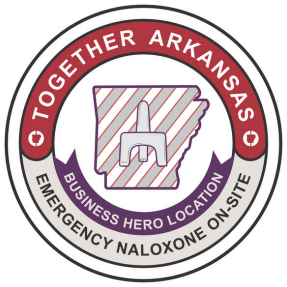

Thank you for becoming a Together Arkansas Business Hero Location.

This comprehensive Drug-Free Workplace Initiative was designed to help Arkansas businesses **prepare, prevent, and respond** to the opioid crisis. By providing you with free resources, employers can take meaningful steps to reduce stigma, support employee well-being, strengthen workplace preparedness, and **implement policies that support prevention, treatment, and recovery.**

BUSINESS HERO TOOLKIT INCLUSIONS

Official Business Hero Location seal

In addition to the vinyl static window cling you received to display in your office, we encourage you to display the digital version on your business website.

Implementation Guide

A handbook of practical guidance and best practices to help businesses create and sustain their drug-free and stigma-free workplace.

Directional building signage

Download, print, and hang around your office to direct people to the location of your on-site naloxone box.

Nalox-Box Installation Instructions

Manufactuer and best practice instructions for installing your naloxone box in a public and accessible location.

Case Study

Demonstrates the successful outcome of a similar drug-free workplace program model.

Workplace Policy Templates

Example policies to reference, customize, and implement to set expectations and boundaries for maintaining your business's drug-free workplace.

Naloxone Training Video

Although naloxone was developed to be used without needing formal medical training, this short tutorial will train you to administer it if you experience someone having an overdose. Naloxone is safe, legal, and can save a life.

Naloxone Administration Instructions

In addition to the video training, we've also created two additional resources that could aid in administering naloxone to someone experiencing an overdose.

1. **Written instructions**
2. **Audio instructions:** available in English & Español

HR Violation Checklist

In the event an employee asks for help or violates your DFWP policy, this list can be utilized to qualify available resources.

TOGETHERARKANSAS
Opioid Response Initiative

Supporting drug-free & stigma-free workplaces.
